Copper Ridge Surgery Center's Dan Good Receives MASA Leadership Award

November 19, 2024, Traverse City, MI - Copper Ridge Surgery Center (CRSC) is thrilled to announce that Dan Good, Supply Chain Manager, has been honored as the latest recipient of the Michigan Ambulatory Surgery Association (MASA) Leadership Award. This award was presented at the annual MASA Education event, recognizing Dan's exemplary contributions to MASA and his impactful leadership at CRSC.

The MASA Leadership Award, established in 2022, is a prestigious, peer-nominated accolade bestowed on individuals whose outstanding contributions to MASA embody the association's core values. Dan Good is only the third person to receive this honor, underscoring his commitment and influence within the organization.

"Dan's positive leadership, teamwork, and dedication to CRSC over the last 11 years have greatly benefited our organization," said Tina Piotrowski, CEO of CRSC. "He serves on a national Ambulatory Surgery Center (ASC) advisory committee, representing ASCs and their supply chain needs, and has been selected as a presenter at national industry conferences." Piotrowski added, "Dan also serves on regional advisory committees for Surgical Technology programs, supporting and inspiring future surgical tech professionals."

Dan's support of MASA extends far beyond his professional duties at CRSC. Since 2015, he has chaired the MASA Materials Management Education Committee, recruited vendors to join the association, and served as a valuable resource to MASA members across Michigan. His efforts have not only enhanced MASA's network but also positively represented the ambulatory surgery industry at large.
