### **Copper Ridge Surgery Center Organizes Local Food Drive for Father Fred**

Traverse City, Michigan - March 18, 2021 - Copper Ridge Surgery Center (CRSC) has coordinated a food drive on behalf of the Father Fred Foundation in Traverse City.

Staff at CRSC initiated the Food Drive this week. In exchange for having a holiday gathering, which the center typically does in January of each year, the center has decided to contribute to a food bank. Staff members that provide a food donation are eligible for a gift card drawing from a number of downtown restaurants and businesses. The food drive is two-fold in that it supports one of our community food banks and supports our downtown businesses.

“There is always a need in our community to keep our local food banks stocked and now, more so than ever,” states Tina Piotrowski, CEO. “Many people in our community have felt a personal economic impact as the result of Covid 19, and our staff members have stepped forward to be the catalyst behind this food drive to help our community members in need.”
